

EXISTING US 67 CORRIDOR

PROPOSED US 67 CORRIDOR

TxDOT Project on US 67

Project Location: US 67 from Loop 306 to US 277

Project Goals

- Convert existing highway to freeway standards
- Continue the development of the Ports-to-Plains relief route connecting US 87 to US 277
- Contribute to economic vitality potential by improving access and safety of the corridor segment

Project Specifics

- Construct grade separations on US 67 at Paul Ann Blvd and Tractor Trail
- Construct one-way frontage roads along US 67 from Loop 306 to US 277
- Restrict direct access from US 67 through lanes to adjacent properties

Expected Project Timeline:

- Summer 2018 Project Construction Begins
- Project duration and length is dependent on funding
